TECHNICAL DETAILS 

It has become one of the leading and principled companies in its sector by analyzing the sector very well, specializing in its own line combining technology and manual labor, attaching importance to branding, and using its dynamic, positive and intuitive structure. It has achieved this success by making products that direct today's line and shape the philosophy of the future.

We design the past with classic sofa production and the future with modern sofa production, prioritizing comfort, safety and quality of life without compromising on aesthetics and functionality.

WE ARE IN
40 COUNTRIES
OF THE WORLD.
FOR NOW...

Our designs; Each product we produce is personal, as we make it by feeling the way and feelings of the people who live in the place.

We will continue to be one of the pioneers of the industry in both modern and classical production to turn your homes into comfortable spaces with our innovative designs that we dream of and produce...
